Possible Tool Lending Library: CAKE CISMA (Charlevoix Antrim Kalkaska and Emmet Cooperative Invasive Species Management Area) is exploring grant funding to equip local libraries with tools to manage, extract and restore invasive species on private lands. We piloted this tool lending library at the Boyne City Library spring of 2022 with good success and would like to expand to interested libraries in Northern Michigan. We need your help with acquiring grant funds to make this happen. Please fill out the survey to arm us with some numbers for our grant proposal. Survey here: <https://forms.gle/RNL1tBe1thx8qaLd9>
 - b. Two upcoming surveys (Annual Meeting evaluation and Continuing Education needs). Please plan to complete these surveys when you receive the emails.
