

MMLL Advisory Council Meeting

3/23/2021

10:00 a.m.

Present: Cindi P., Amy S., Dave D., Sue R., Jen T., Stacy P., Cory, Jennifer (if we missed anyone, our apologies).

Member Updates

Announcements & Reminders

Members were reminded that library board meetings must continue to be virtual through March 31st unless MDHHS extends the virtual meeting protocols. The Library of Michigan and MLA will keep libraries updated on changes.

Cindi clarified the purpose of the recent services survey that was sent to the Advisory Council. It was intended to prioritize what services or discounts members would like to see.

E-Resources Committee

An additional \$4,000 was added to the MMLL Advantage account to purchase audiobooks for MMLL member libraries only.

Maker Committee

Several member libraries have taken advantage of the STEM kit program through Newton's Road. Newton's Road is a nonprofit organization dedicated to STEM-related learning for *all* youth in our Northwest Michigan region. <https://newtonroad.org/>
