Please join us tomorrow morning at 10:00 a.m. for our MMLL Annual Meeting via Zoom! <https://bit.ly/3bHEoTu>

### PRIZES:

At tomorrow's meeting you will have the opportunity to win fabulous prizes! This will be Benzie Shores' first attempt at trivia in a virtual setting and we'd love as much participation as possible. To play along during the trivia segment of the MMLL Annual meetings, submit your answers using the following google form:

You can use your phone, tablet or computer to play along. Depending on how you are accessing the zoom meeting, you may only have one device. That's ok. If on a computer, you can open the form in a separate tab or window in your browser. For information on how to minimize your zoom screen while working on other tasks, visit <https://support.zoom.us/hc/en-us/articles/201362103-Minimizing-and-exiting-Zoom>

We look forward to playing with you all tomorrow! If you have any questions, don't hesitate to reach out prior to the meeting.

### DISCUSSION QUESTIONS:

When we break into small groups during the meeting, we will do it twice, each time with a different discussion topic. Here are the two topics:

1. QUESTION for DISCUSSION: ***What has been your most successful program – of any kind, online, passive, off site etc. – since March? Please, share your name, library name, and program title in the comments section.***
2. QUESTION for DISCUSSION: ***Most libraries have changed or reduced services for safety reasons in the wake of COVID-19. This has made some patrons unhappy. What have you done to accommodate patron concerns? Please, share specific language or strategies you have used or specific situations you have encountered. Come back to full group, then break into new small groups***
