

Mid-Michigan Library League and Glen Lake Community Library MeL eResources Training

Join us for free MeL eResource training at Glen Lake Community Library October 4, 2022. Library staff are welcome to attend these trainings. Please [register](#) as space is limited at each session. If possible, please bring a Chromebook or laptop for the hands-on portion. Questions? Contact Laura: melerhelp@mcls.org

October 4, 2022 10:00AM-12:00PM MeL eResources for Public Libraries: Basics

In this hands-on workshop, participants will learn about accessing the MeL eResources to help patrons with a variety of questions. From eBooks and popular magazines to learning about careers and test prep for students, MeL has something for everyone.

October 4, 2022 1:00PM-3:00PM MeL eResources for Public Libraries: Advanced

With over 70 eResources, MeL can help answer reference questions and provide ideas for programming. This hands-on workshop will build on basic knowledge of the MeL eResources while focusing on eResources for small businesses, legal information, and health and wellness.
