There were no problems with the venue. I enjoyed the space, it was easy to see & hear the presentations (because I sat up close), and it was a fun time to get together. The food left a little to be desired (my steak was underdone, but the vegetables were fine and dessert was wonderful).	1

Longer event! It would be nice to do some breakout sessions after meeting. Maybe, discussion groups on set topics with moderators?	1

Any suggestions for future event topics?

Library of Things: policies, cataloging, display, etc.	1
Small group time to get to know each other and strenths/hardships. Maybe all the Group 4 together, 5 together, etc? Maybe some "high-tech" items, social media ideas, virtual progamming skills in small groups?	1
You have always done a great job.	1
Not that I can think of.	1
library security and safety	1
The legal questions, while relevant, were not something I needed to hear. Thanks to Claire for handling them, though! It would be nice to hear about successful programming, or state-wide changes, or more website & online resource information. I enjoyed that.	1
Not at the moment, but I'm open to anything!	1
Understanding the digital divide- can we encourage infrastructure from our positions? Programming for all ages. Behavior management in libraries. Staff retention for Northern Michigan Libraries.	1

Thank You!
