Application for Affiliate Membership

What cooperative services are you interested in?

Workshops and webinars, Group discounts, Networking, Email list, newsletter, website

Comments

I would like to make the William M. Anderson Library at West Shore Community College an affiliate member of the Mid-Michigan Library League. Thank you so much for making this available to the library; I'm looking forward to being an official member of the group and hope that we can find new ways to collaborate!

Sincerely,

Renee Snodgrass
