

## ***Library Service Expansion & Mini-Grant Program FY21 Details and Timelines***

**What:** This grant program aims to support Mid-Michigan Library League members to better serve their communities. Tell us what impact this funding would have on service to your community.

**How:** Complete a simple application to ask for a grant in one of two categories:

- One-time event cost support
  - You may request **up to \$250** for an event related to improving your library service and/or professional development. The funds are targeted to off-set your travel costs, your need to pay a substitute to cover the library, or to pay the registration fee of the event.
- Project cost support
  - You may request **up to \$1,000** to offset your costs of a project to:
    - Automate library processes
    - Purchase new technology – software or hardware
    - Improve resource sharing
    - Improve library service
    - Provide e-resources for which the price was not budgeted in advance

There are two grant application periods for the mini-grant program, with \$15,000 total for FY21.

Funds will be disbursed based on receipts for purchases. Reporting will be kept to a minimum, and will be part of the reimbursement form.

**Who:** The grant application is to be submitted by an MMLL member library director to support a library project to expand or improve service, or to support a one-time event for any staff or Board member of the library.
