### **Ready to Read:**

Public libraries should all have received the Ready To Read Michigan mailing with a hardcover book, poster and bookmarks. The online toolkit is at <http://michigan.gov/readytoread>.

### **Money Smart Week:**

Dates this year for Money Smart Week are **March 30-April 6, 2019**. Find information about Money Smart Week at [MoneySmartWeek FAQ](#).

### **Member Libraries:**

- Cadillac Wexford Public Library is using the PLA Strategic Planning for Results process. I will help by facilitating their Community Planning Committee meetings. This will be a nice way to garner community feedback for the library and plan for the next few budget cycles. The community has raised around \$300,000 so far for the new Manton library.
- Many of our member libraries have had to be closed because of the weather this winter, and some have had expensive repairs due to the cold and windy conditions. Hang in there, everyone – there is rumor of actual spring in the future.

### **Travel/Meetings:**

- 1/26 – Reed City Area District Library Board training
- 2/7 – Small Libraries, Big Impact conference planning meeting (phone)
- 2/15 – Co-op Directors Association meeting and planning session (illness prevented attendance)
