Your kids bought you an iPad. Now what?

## iPad Basics

Thursday, January 14th  
10:00 a.m.

iPad Basics is a beginner's class covering the most important features and functions of the iPad. The class is designed for absolute beginners who have little or no experience using their iPads and want to understand the essential functions, as well as learn some useful tips.

Registration is not required, but recommended. Participants provide their own iPad. iPad must already have gone through initial set-up process and be registered with an Apple ID. The library cannot assist with providing Apple IDs or passwords.

Call or email the library to register.

## eUser Open House

Thursday October 18th from  
10 to 11 a.m.

&

Wednesday, October 24th from  
6 to 7 p.m.

Want to get started using Overdrive (digital download service for ebooks and audiobooks)? Come to the library during our eUser Open House and our eBook trainer will walk you through the start up process. **What to bring:** your eReader or media device, your laptop, and all necessary cords. If you don't have a laptop, you can still bring in your eReader and learn search tips and tricks. For more details, call the library at 352-4671.
