## Member Libraries during the time of COVID-19

Since March of 2020, things have been very different during this global pandemic. Now it is December and we are back into the thick of it. Member libraries have had to write their COVID-19 Preparedness and Response Plans, considering what would constitute a safe re-opening for in-person service. Most went to curbside and online services, with e-resources being used heavily. Due to this second wave, member libraries have had to consider what factors to use in determining whether to close again and when it would be safe to re-open.

**HOW A MASK WORKS**

Research shows that masks can greatly reduce the chance of spreading COVID-19, especially when approximately 40% of those who have COVID-19 may be asymptomatic. We can only contain the virus and keep Michigan open if everyone stays careful and masks up when they leave home, whether they feel sick or not.

CHANCE OF TRANSMISSION	ASYMPTOMATIC OR SICK	UNINFECTED
Highest	without mask	without mask
High	without mask	with mask
Medium	with mask	without mask
Low	with mask	with mask
Lowest	social distancing	social distancing
Practically None	staying home	staying home

The ordering period for the **2021 Labor Law Poster** set is open now. You can reserve your set (will be shipped to you in January 2021) by filling out the form found at this link: <https://forms.gle/LLxTxq87enDhdzv3A>

Labor Law Posters are required for all work locations and need to be current. Woodlands Library Cooperative purchases our sets through the Michigan Chamber of Commerce, which keeps funds in Michigan, and best of all, you can tell those aggressive and sometimes shady vendors who hound you and your staff that you're taken care of for the year. If they give you a hard time, feel free to send them to me (Kate Andrade, director Woodlands).

**Pricing:** At the most, \$24 per set. We will ship to your library in a poster tube, along with a copy of your invoice. Your cost comes down as more sets are ordered. Last year libraries ordered enough sets of posters to bring the price down to \$16.25 per set, including the poster tube.

**Deadline:** Friday, December 18, 2020 at 5:00pm.

The Library of Michigan is sponsoring four Wellness courses for Michigan Library staff in partnership with Michigan State University Extension. [Registration and in-depth course descriptions are available here.](#)
