

Hi Sheryl,

It's me Tom Daldin from the Emmy Award winning PBS television program **"Under the Radar Michigan."** Hope you're well and staying warm. I am contacting you to see if you'd like to purchase some of our books for your library cooperative.

We have two:

- "Under the Radar – The First Fifty" which follows the adventures of our first 50 shows and
- "Under the Radar – The Next 50" which ... well, you get the idea.

The books retail for \$24.95 but we are making them available to libraries for **\$16.00**. This helps us spread the good word about Michigan and also fund our program.

We also have DVDs of our first 7 seasons available for **\$20.00** a season.

If you are interested ... please contact me so we can to get the ball rolling.

Thanks so much for your consideration and for keeping Michigan libraries moving forward!!!

Sincerely,

Tom (what town am I in today) Daldin
